Thursday, June 19, 2014

The Council has revised its original agenda for its June 2014 meeting. The time and date for receipt of a presentation on the NOAA Fisheries/Greater Atlantic Regional Fisheries Office Omnibus Vessel Baseline Amendment has been rescheduled from the first day of the Council meeting, Tuesday, June 17, 2014, to Thursday, June 19, 2014 at 8:30 a.m. In addition to receiving the presentation, the Council will approve the draft amendment for purposes of taking public comment. The action would simplify the current vessel baseline restrictions. Final action is scheduled for the Sept. 30-Oct. 2, 2014 Council meeting in Hyannis, MA.

Although other non-emergency issues not contained in this agenda may come before this Council for discussion, those issues may not be the subjects of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided that the public has been notified of the Council's intent to take final action to address the emergency.
